

# State Medical Fee Schedules – Workers' Compensation

This section provides information about state-mandated medical fee schedules and/or guidelines for services rendered to injured workers. Note the following:

- For those states where a medical fee schedule or other reimbursement guideline has been adopted, a link is provided (copy and paste into web browser)
- If the state does not provide online access to the fee schedule or guideline, a link to ordering information is provided.
- Any state listed without a link does not currently have a fee schedule or other reimbursement guideline.
